WELCOME TO SAVOR

EXPERIENCES & SUSTAINABILITY

OUR MISSION

Our mission is to enrich guest experience, building upon your vision through food – listening, learning, growing, harvesting, cooking and breaking bread together.

At SAVOR, we aspire to design a visitor experience so inclusive, so delicious, and so incredible that it will live as your signature food offering for years to come.

Curating stories through food creates a powerful bond between people, place and time. And in an instant, a flavor, a taste or a familiar aroma transports us all to a memory—a snapshot in time with family and friends. That is the power of food. We strive to build on those moments.

We seek out partnerships with local chefs, restaurateurs and farmers, who will help us shape a singular dining experience known only at your venue, set within the unique backdrop of your community.

We showcase who we are by focusing on where we are and customizing experiences.

SUSTAINABILITY

Our sustainability initiatives include purchasing locally produced and sustainably raised products, sourcing sustainable seafood, using non-petroleum-based products, and recycling and composting our waste whenever possible.

ALLERGENS & FOOD SAFETY

We are focused on providing an inclusive environment to all your attendees. Whether your guests have a food allergy, food intolerance or dietary preference such as a vegan or vegetarian, our teams are trained and our menus are tailored to meet your needs.

Our Sales Team, Chefs and Managers have all taken and passed a ServSafe Allergen course and understand how to prepare safe food for your guests. We will offer the best in guidance and suggestions to provide a safe and welcoming dining environment for your event.

Speak with your Sales Representative about any anticipated dietary concerns as early as possible to ensure the most seamless service.
